

A QUICK GUIDE TO THE CONSULTATION ON 'DESTINATION 2014'

What is Destination 2014?

'Destination 2014' is a **draft strategic framework** that reflects a **new way forward for the ChangeUp programme**. The Capacitybuilders' Board wants to hear the views of the third sector and other stakeholders, especially on the priorities it should adopt to meet the ChangeUp vision to see a *'transformed third sector by 2014'*.

- 'Destination 2014' is **currently in draft format** for consultation.
- within the document, the priorities are initially organised by date order:
2006-08 / 2008-11 / 2011-14.
- Each set of priorities is then further segregated, listing specific activities and work completion dates.
